REPRESENT.
CHAMPION.
PROMOTE.

FCWA MEMBERSHIP

Fashion Council WA (FCWA) is a not-for-profit peak industry body with the mandate to represent, champion and promote the fashion and creative industries in WA.

Through a series of established annual events and service offerings, FCWA facilitates growth opportunities for the sector across cultural, creative and commercial platforms.

FCWA provides industry members with the opportunity to connect with and gain insights from peers and authorities in the industry via a series of Industry Forums, mentoring and development, and networking opportunities.

The WA fashion and creative sector is represented and promoted on a local, national and global scale via a comprehensive calendar of local events including Telstra Perth Fashion Festival, Swim + Resort Series, and WA Fashion Awards. Designers are also given the opportunity to access new markets through initiatives such as retail incubator, HATCH, and international pathways via FCWA's partnerships with China Fashion Association and Mercedes Benz China Fashion Week.

Through strong partnerships with corporate, government, education, industry and community networks, FCWA provides extended opportunities for the industry and champions the Western Australian fashion and creative sector.
